

A cross-sectional view of a multi-layered structure. It consists of an outer layer (1) and an inner layer (2). The inner layer (2) contains a central cavity (5) and is surrounded by a layer (3). The outer layer (1) is further divided into a top part (4) and a bottom part (6). The top part (4) and bottom part (6) are separated by a layer (7). The central cavity (5) is filled with a material (5). The outer layer (1) is shown with a dotted pattern, while the inner layer (2) and the central cavity (5) are shown with a hatched pattern.
